“L” Education Program

**PART I: A Judge’s Perspective
Louisa, Virginia**

Developed by the USDF Judges’ Committee, this program teaches participants to evaluate the correct training of dressage horses. It prepares graduates for entry into USDF’s “r” License Program.

Are you a dressage rider, trainer, competitor, or spectator who wants to better understand the judging process? Ever wondered why you got that “6” and not a “7”? Would you like to improve your own scores? Better understand dressage fundamentals and biomechanics? Are you interested in becoming a judge?

... the L Program is the place to start!

The L Program consists of two parts, each having 3 sessions. **Part 1 – “A Judge’s Perspective” is open to all USDF Members and is the educational foundation** of the program. It consists of classroom sessions (lecture and video) with live demonstration rides.

PROGRAM GOALS

This program has been designed with several goals in mind:

1. To give competitors, trainers, instructors, and other dressage enthusiasts greater insight into the evaluative techniques of judging dressage.
2. To meet a requirement to enter the USDF/USEF “r” Dressage Judge Training Program.
3. To qualify individuals to judge schooling shows.
4. Provide continuing education for licensed judges and “L” graduates.

This well-designed training program takes a systemic and orderly approach to introduce judging, explain the scoring system, review the rules, and explain the biomechanics of horse gaits and the rider position. This educational training program features USDF “S” Judges and approved “L” program faculty members.
