ARE YOU SATISFIED?

A score of "6" is satisfactory – but we all aspire to do better. Learn from an experienced judge what it takes to excel at your current level and lay the foundation for higher scores as you continue your dressage journey up the levels.

Riders must submit an online or paper application, a video taken in within the past 9 months, and the fees described below on or before the posted deadline. The video must show the applicant riding a complete dressage test at the level the horse is currently schooling. **THE VIDEO DOES NOT NEED TO BE FROM A SHOW.** The horse in the video must be the same horse listed on the clinic application.
